

A TIE SAN DIEGO EVENT · NOVEMBER 14, 2026

NEXTGEN HEALTHCARE REVOLUTION

Evolution & Revolution in Healthcare — the future of medicine begins now.

This is not an update. This is an upheaval. If it doesn't lighten the clinician's burden — it's noise. If it isn't accessible — it's unfinished. If it doesn't restore dignity — it's irrelevant.

300+ healthcare executives, physicians & investors attending

60+ global TIE chapters
